## **BOARDING POLICIES & REMINDERS**

Thank you so much for entrusting your beloved pet companion(s) in to our care. For the safety of all of our guests we ask that you comply with the following policies:

- All pets need to have a collar with your contact information on their identification tag. No choke collars, harnesses, electronic control (shock) collars.
- We don't provide food kibble. We ask that you please pack your pet companion's food/treats in a sealed zip lock bag, canister/ plastic/tin container with secure lid and clearly labeled with their name(s).
- Medication needs to have your pet companion's name clearly written/printed on it with written instructions.
- We kindly ask that you do not bring their bedding, sheets, blankets, leashes, toys, raw hides, bowls, etc. We provide all of those things for your pet companion's stay to be comfortable, safe, and fun.
- Please don't fed your pet companions (up to 2 hours) prior to boarding; if there's a chance that the excitement of coming out might cause them to throw-up or have diarrhea.
- Pets must be flea/tick free upon check-in and on an active flea/tick treatment. (Additional charges may apply, if entry bath and flea treatment is administered). Please be sure your tick and flea treatment is water-proof.
- Please do not greet any of the dogs that may be out in the dog runs or fence lines. For their safety, please ignore them. Please don't have your dogs greet other dogs through the fence, runs, or kennels.
